In accordance with Commission Policy, the following proposed new regulations are being distributed prior to a public hearing. These proposed regulations were announced and distributed in late February 1979. Subsequently, Section 80125(g) has been changed to clarify the status of educational evaluators. Friday, June 8, 1979  
10:00 a.m.  
Registry Hotel  
Orange County Ballroom  
18800 MacArthur Boulevard  
Irvine, California 92715

Please feel free to duplicate and distribute these proposed new regulations to anyone you believe might be interested in responding.

If you wish to make a presentation regarding the above to the Commission, please bring 30 copies of your material for distribution to the Commission and Staff. If you can provide your statement to the Commission office 15 days before the public hearing, sufficient copies of the material will be duplicated and distributed for Commission and Staff use. We would also appreciate a call to the Commission office if you plan to make a presentation in order to schedule sufficient time on the Agenda for people who wish to address the Commission.
